TELESCOPING  
DETACHABLE HANDLE

The diagram illustrates a left side view of a telescoping detachable handle. The main handle body (10) features a locking mechanism (12, 21, 15) and an eye piece (22). The handle is composed of several telescoping sections (11, 14, 31, 34, 23, 33, 38, 24, 32, 35, 36, 19, 18, 31, 37, 20, 23). A dashed line indicates the handle's retracted position.
